

Vinyl Skins individually designed for all Cell phones, iPods, Blackberry, PDA's, laptops, gaming consoles, and more.

We support more than 500 of the most popular skins for electronic devices. For a complete viewing, go here: www.skinit.com.

Exclusive gallery on www.skinit.com includes major music artists, popular sports teams, universities and colleges, movies, sports figures and entertainment images to choose from. Also available are custom-designed skins featuring corporate brands, images and icons that can be featured on your exclusive website.

Two program choices: (1) Standard Premium featuring all the selections available on the Skinit retail website (including licensed properties), a custom-designed pin card, and individual fulfillment. Or (2) Custom Promotional Program featuring custom-designed skins, custom-branded pin cards, a dedicated website, and full data reporting on responses, plus individual fulfillment.

Precision Fit: Every skin is carefully cut to match the exact phone or electronic device of the recipient. There are thousands of choices.

No Skin Inventory required: Pre-purchased Pin Cards allow recipient to order exact match to phone or other personal device.

Skins are made of high-quality 3M vinyl. Not to be confused with decals! Skinit's are easy to apply and easy to remove with no residue.

In less than six weeks you can be up and running with your own program!
